YELLOWSTONE NATIONAL PARK & GRAND TETONS MOTORCYCLE TOUR 2024 PROPOSED ITINERARY

* MAP & HOTEL LIST INCLUDED *

DAY 1 - FROM ALL DEPARTURE POINTS TO BILLINGS, MONTANA

The official start of your motorcycle adventure begins with the arrival in Billings, Montana. Shuttle service from the airport to the hotel will be provided by the hotel. A tour sponsored meet and greet with food will be offered tonight.

DAY 2 - TRAVEL TO YELLOWSTONE

Our day will start off with a hearty breakfast, followed by a group meeting. We will depart towards Yellowstone by the way of the Bear Tooth Pass (Great Road!) One of the top 10 roads in the United States. ENJOY!!

DAY 3 - DAY ON YOUR OWN TO EXPLORE YELLOWSTONE

This is the first of two days on your own. You are always welcome to ride with us or go off and explore the park.

DAY 4 - SECOND DAY ON YOUR OWN

This is your second day to explore Yellowstone. Believe me, you will need both days to take in all that Yellowstone has to offer.

DAY 5 - TRAVEL TO JACKSON HOLE

We will exit Yellowstone near the west gate. We will travel the back side of the Grand Tetons south towards Jackson Hole, Wyoming.

DAY 6 - ON YOUR OWN DAY

We suggest the following: start with a visit to the National Elk Refuge Visitors Center down the street from the hotel. From that point you can use the maps we provide for sight-seeing in the Grand Tetons. Jackson Lodge offers the best panoramic view of the mountains, but there are many side loops to also explore. Don't miss the Jenny Lake Loop and Signal Summit Road.

DAY 7 - JACKSON HOLE TO CODY, WYOMING

We will leave Jackson Hole in our rear view mirrors. We will ride through the Grand Tetons headed for Cody, Wyoming. It will be a short ride today, but please join us this evening for a Real Cowboy Rodeo across from the hotel.

DAY 8 - CODY, WYOMING TO BILLINGS, MONTANA

This will be our last day touring the Great Western United States, so ENJOY IT! We will ride the Chief Joseph Highway and the Bear Tooth Pass, making our way back towards Billings, Montana. Come join us this evening for a Farewell Get-together with hors d'oeuvres and finger foods, and share your stories of the past week.

DAY 9 - HOMEWARD BOUND

So by now you've discovered why our motorcycle adventure is still so popular. You will have traveled approximately 1,200 miles and another 400 miles on your own. After a farewell breakfast on us, we will wish you a safe journey home, and look forward to riding with you on one of our future tours.
